## Summary

A fresh graduate in BS Computer Engineering, primarily interest in software development, can do both front end and back end. The industry and technology we use is constantly moving forward. It is one that requires knowledge and education throughout one individual's career. This exciting me as there will always be new things to learn and new challenges to overcome.

---

## Experience

### Elixer Multi-Purpose Cooperative

Mar 2022 – May 2022

Office Staff, Software Developer  
Internship (240 hrs.)

---

## Projects

### [amantenikko.github.io](https://amantenikko.github.io)

Aug 2022 - Present

Personal Portfolio Website

I design and develop my portfolio website to be familiarize with modern web technologies and meet most company's requirements.

### EMPC Inventory System

Apr 2022 – May 2022

Inventory System Software

An Inventory System that I develop when I was rendering my internship training program in Elixer Multi-purpose cooperative. Used a built-in database, programmatically create and produce excel file report.

### CDSGA Safety Prevention Gateway

Dec 2021 – May 2022

Arduino-Base Safety Prevention Gateway

Bachelor's degree thesis project that consists of a software application and hardware prototype. Used to monitor visitor's information in school. Has visitor management system, visitor counter, barrier boom, body temperature monitoring, automated alcohol sanitizer, export pdf file, etc.

---

## Education

### **Colegio De San Gabriel Arcangel**

2018 - 2022

Bachelor of Science in Computer Engineering  
Area E, Fatima 1, Sapang Palay, CSJDM, Bulacan

---

## Skills

- VB.NET
  - JAVA
  - MySQL / SQLite
  - Arduino / Rasp PI
  - Unity Engine
  - JavaScript
  - jQuery
  - HTML / CSS
  - Adobe Photoshop
  - Adobe illustration
  - Adobe Premier
  - Microsoft Office
  - Tech Savvy
  - Troubleshooting
  - SDLC
  - Problem Solving
  - OOP
  - Hardworking
- 

## Certificates

### **Visual Basic.Net Tools for Data Visualization**

DICT - Luzon Cluster 3 - Camarines Norte  
Virtual Conference via Zoom  
June 11, 2021

### **CCNA Introduction and Technical Seminar**

Top ECE Review Center  
Virtual Conference via Zoom  
April 03, 2021

### **Introduction to Python and Raspberry Pi**

#### **Programming with Raspberry Pi Using Python**

#### **Interfacing Digital and Analog Sensor to Raspberry Pi**

Colegio de San Gabriel Arcangel, CSJDM, Bulacan  
Virtual Conference via Zoom  
October 24, 2020

### **The Right to Know: Data Privacy, Data Security and Their Real-Life Implications**

Colegio de San Gabriel Arcangel, CSJDM, Bulacan  
March 6, 2020

### **Unleashing Leadership Potentials: Preparing Student Leaders for the Challenges of the 21st Century**

Colegio de San Gabriel Arcangel, CDSJM, Bulacan  
July 26, 2019
